From the Board of Rev. Ref. G.981/48-18 dt. 5.11.48.

ORDER:

Under the scheme sanctioned in G.O.Ms.No.252 Rev. dated 3.2.41 and last continued upto 30.6.48 in G.O.Ms.No. 1618 Rev. dated 9.7.47, Collectors of all districts except Madras, the Nilgiris, Malabar and South Kanara, and the Board of Revenue were permitted to sanction estimates not exceeding Rs.2,500 and Rs.5,000 respectively for works relating to silt clearance and berm cutting in spring river and supply channels, which are normally to be done by kudimaramath. In the circumstances now reported by the Board of Revenue the Government direct that the scheme be extended up to 30.6.50 subject to the following conditions:-

(1) No estimate should be sanctioned for a second time for any work which was already repaired under the scheme at Government cost as the sanction for the first estimate for each channel is accorded subject to the condition that a written agreement should be obtained from the ryots binding themselves to maintain the channel in future by kudimaramath, and

(2) The agreement should be strictly and promptly enforced in each case and Collectors should take care that channels once repaired under this arrangement are not allowed to fall into disrepair again by the omission of the Revenue Department to call upon the ryots at the proper time to maintain them by Kudimaramath.

2. The half yearly reports prescribed in para 3 of G.O.Ms. No.252 Rev. dated 3.2.41 should continue to be submitted to the Government. These reports should invariably contain information regarding the amounts contributed by the ryots in each case.

3. The Board of Revenue is requested to submit a comprehensive review of the results achieved by the working of this scheme not later than 1.4.50.
